1 License Terms Summary

- **'Single Developer License'** means that the licensed control or tool can be installed on a single development station for the purpose of developing a licensee's application.
- **'Site Developers License'** means that the licensed control or tool can be installed on any number of development stations for the purpose of developing a licensee's application. All development stations are confined to only one physical location of the licensee's company.
- The NuDesign software **'Runtime License'** number defines the maximum number of licensee's computers that have the licensed NuDesign software installed at any one time.
- The NuDesign application's **'User License'** number defines the maximum number of the licensed NuDesign application installed at any one time.
- The NuDesign application's **'Site Users License'** means that the licensed application can be installed on any number of the licensee's stations. All licensee stations are confined to only one physical location of the licensee's company.
- NuDesign's **'Single Embedded Product Source Code License'** means that the licensed source code can be applied to single specific functionality embedded product, pre-identified to use a specific CPU / Operating System pair that adopts that specific functionality.
- NuDesign's **'Single Embedded Product Royalty Free (Unlimited) Runtime License'** means that the licensed runtime can be applied to single specific functionality embedded product, pre-identified to use a specific CPU / Operating System pair that adopts that specific functionality.
- NuDesign's **"OEM Edition of Master Agent Service for MS Windows, Royalty Free (Unlimited) Runtime License"** means that the licensed runtime can be applied to single specific functionality product, pre-identified to adopt that specific functionality.
- NuDesign's **"extension DLL/standalone SNMPv3/HTTP Agent for MS Windows, Royalty Free (Unlimited) Runtime License"** means that the licensed runtime can be applied to single specific functionality product, pre-identified to adopt that specific functionality.

2 Development Tools for Windows

2.1 SNMP Agent Development Tools with HTTP option for Windows

2.1.1 NuDesign C++ Professional SNMP Agent Studio for MS Windows (with HTTP access)

2.1.1.1 Development Tools License for C++ Professional SNMP Agent Studio for MS Windows

Product / Description	Product ID	Sales Price (US\$)
<p><u>NuDesign C++ Professional SNMP Agent Studio for MS Windows (with optional HTTP access) Development License consists of:</u></p> <ul style="list-style-type: none"> • Visual xAgentBuilder for C++, MS Windows Edition: Visual Studio hosted, C++ code generation wizard for standalone SNMPv1/v2c/v3 Windows Agents or Extension Agent DLLs (with optional HTTP access to MIB instrumentation). • SNMPv3 / HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for MS Windows, contains SNMPv1/v2c/v3 and HTTP Windows C++ libraries. • Visual MIBuilder • Visual SNMP Traffic Monitor • Visual MIBrowser Professional 		
<p>Single Developer License for NuDesign C++ Professional SNMP Agent Studio for MS Windows</p> <p>Includes 1 set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3.</p>	NDT-2550	\$4,200
<p>3 Developers License for NuDesign C++ Professional SNMP Agent Studio for MS Windows</p> <p>Includes 3 sets of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3.</p>	NDT-2551	\$7,800
<p>Site Developers License for NuDesign C++ SNMP Agent Studio for MS Windows</p> <p>Includes "Site Developers" set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3.</p>	NDT-2552	\$12,800

2.1.1.2 Support Contracts for C++ Professional SNMP Agent Studio Products for MS Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ Professional SNMP Agent Studio for MS Windows	NDT-255x-SC	25% of NDT-255x
Support for SNMP Agent Source Code & Runtime SDK	NDT- 2385-SC	\$4,000
Support for extension DLL/standalone SNMPv3 Agent Runtime SDK	NDT-238x-SC NDT-2383-SC	25% of NDT-238x \$2,500
Support for HTTP Agent Source Code & Runtime SDK	NDT- 2395-SC	\$1,500
Support for extension DLL/standalone HTTP Agent Runtime SDK	NDT-239x-SC	25% of NDT-239x

The current license owners of C++ SNMP Agent Studio for MS Windows receive free xAgentBuilder for C++ code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

2.1.1.3 Source Code & Runtime Options for C++ Professional SNMP Agent Studio for MS Windows

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License options for extension DLL, or standalone SNMPv3 and/or HTTP Agent and SNMPv3/HTTP Agent Configuration Editor.		
Source Code & Runtime Licenses – SNMP option		
25 extension DLL/standalone SNMPv3 Agent Runtime Licenses	NDT-2380	\$500
100 extension DLL/standalone SNMPv3 Agent Runtime Licenses	NDT-2381	\$1,200
500 extension DLL/standalone SNMPv3 Agent Runtime Licenses	NDT-2382	\$4,300
Unlimited Runtime License for extension DLLs/standalone SNMPv3 Agent for single, specific functionality product line	NDT-2383	\$13,000
SNMP Source Code License – add-on to MS Windows SNMP Agent Unlimited Runtime License	NDT- 2385	\$17,000
Source Code & Runtime Licenses – HTTP option		
25 extension DLL/standalone HTTP Agent Runtime Licenses	NDT-2390	\$500
100 extension DLL/standalone HTTP Agent Runtime Licenses	NDT-2391	\$1,000
500 extension DLL/standalone HTTP Agent Runtime Licenses	NDT-2392	\$4,000
Unlimited Runtime License for extension DLLs/standalone HTTP Agent for single, specific functionality product line	NDT-2393	\$8,000
HTTP Source Code License – add-on to MS Windows HTTP Agent Unlimited Runtime License	NDT- 2395	\$3,500

2.1.2 NuDesign C++ SNMP Agent Studio for MS Windows (with HTTP access)

2.1.2.1 Development Tools License for C++ SNMP Agent Studio for MS Windows

Product / Description	Product ID	Sales Price (US\$)
<u>NuDesign C++ SNMP Agent Studio for MS Windows (with optional HTTP access) Development License consists of:</u> <ul style="list-style-type: none"> • Visual xAgentBuilder for C++, MS Windows Edition: Visual Studio hosted, C++ code generation wizard for standalone SNMPv1/v2c/v3 Windows Agents or Extension Agent DLLs (with optional HTTP access to MIB instrumentation). • SNMPv3/HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for MS Windows, contains SNMPv1/v2c/v3 and HTTP Windows C++ libraries. 		
Single Developer License for NuDesign C++ SNMP Agent Studio for MS Windows Includes 1 set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3.	NDT-2360	\$3,000
3 Developers License for NuDesign C++ SNMP Agent Studio for MS Windows Includes 3 sets of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3.	NDT-2361	\$5,500
Site Developers License for NuDesign C++ SNMP Agent Studio for MS Windows Includes "Site Developers" set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3.	NDT-2362	\$8,500

2.1.2.2 Support Contracts for C++ SNMP Agent Studio Products for MS Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ SNMP Agent Studio for MS Windows	NDT-236x-SC	25% of NDT-236x
Support for SNMP Agent Source Code & Runtime SDK	NDT- 2385-SC	\$4,000
Support for extension DLL/standalone SNMPv3 Agent Runtime SDK	NDT-238x-SC NDT-2383-SC	25% of NDT-238x \$2,500
Support for HTTP Agent Source Code & Runtime SDK	NDT- 2395-SC	\$1,500
Support for extension DLL/standalone HTTP Agent Runtime SDK	NDT-239x-SC	25% of NDT-239x

The current license owners of C++ SNMP Agent Studio for MS Windows receive free xAgentBuilder for C++ code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

2.1.2.3 Source Code & Runtime Options for C++ SNMP Agent Studio for MS Windows

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License options for extension DLL, or standalone SNMPv3 and/or HTTP Agent and SNMPv3/HTTP Agent Configuration Editor.		
Source Code & Runtime Licenses – SNMP option		
25 extension DLL/standalone SNMPv3 Agent Runtime Licenses	NDT-2380	\$500
100 extension DLL/standalone SNMPv3 Agent Runtime Licenses	NDT-2381	\$1,200
500 extension DLL/standalone SNMPv3 Agent Runtime Licenses	NDT-2382	\$4,300
Unlimited Runtime License for extension DLLs/standalone SNMPv3 Agent for single, specific functionality product line	NDT-2383	\$13,000
SNMP Source Code License – add-on to MS Windows SNMP Agent Unlimited Runtime License	NDT- 2385	\$17,000
Source Code & Runtime Licenses – HTTP option		
25 extension DLL/standalone HTTP Agent Runtime Licenses	NDT-2390	\$500
100 extension DLL/standalone HTTP Agent Runtime Licenses	NDT-2391	\$1,000
500 extension DLL/standalone HTTP Agent Runtime Licenses	NDT-2392	\$4,000
Unlimited Runtime License for extension DLLs/standalone HTTP Agent for single, specific functionality product line	NDT-2393	\$8,000
HTTP Source Code License – add-on to MS Windows HTTP Agent Unlimited Runtime License	NDT- 2395	\$3,500

2.1.3 NuDesign C++ SNMP Agent Studio for MS CE.NET (with HTTP access)

2.1.3.1 Development Tools License for C++ SNMP Agent Studio for MS CE.NET

Product / Description	Product ID	Sales Price (US\$)
<p><u>NuDesign C++ SNMP Agent Studio for MS Windows CE.NET (with optional HTTP access) Development License consists of:</u></p> <ul style="list-style-type: none"> • Visual xAgentBuilder for C++, MS Windows CE.NET Edition: CE.NET Platform Builder / eMbedded Visual C++ 4.x hosted code generator for standalone SNMPv1/v2c/v3 CE.NET Agents or Extension Agent DLLs (with optional HTTP access to MIB instrumentation). • SNMPv3/HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for MS CE.NET, contains SNMPv1/v2c/v3 and HTTP Windows C++ libraries. 		
<p>Single Developers License for NuDesign C++ SNMP Agent Studio for Windows CE.NET</p> <p>Includes 1 set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.3.3.</p>	NDT-3360	\$3,000
<p>3 Developers License for NuDesign C++ SNMP Agent Studio for Windows CE.NET</p> <p>Includes 3 sets of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.3.3.</p>	NDT-3361	\$5,500
<p>Site Developers License for NuDesign C++ SNMP Agent Studio for Windows CE.NET</p> <p>Includes "Site Developers" set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.3.3.</p>	NDT-3362	\$8,500

2.1.3.2 Support Contracts for C++ SNMP Agent Studio Products for MS CE.NET

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ SNMP Agent Studio for MS Windows CE.NET	NDT-336x-SC	25% of NDT-330x
Support for SNMPv1/v2c/v3 Agent Source Code & Runtime SDK	NDT- 3405-SC	\$4,000
Support for SNMPv1/v2c/v3 Agent Runtime SDK	NDT-3403-SC	\$3,000
	NDT-3402-SC	\$1,000
Support for HTTP Agent Source Code & Runtime SDK	NDT- 3415-SC	\$1,500
Support for HTTP Agent Runtime SDK	NDT-3413-SC	\$1,000
	NDT-3412-SC	\$500

The current license owners of C++ SNMP Agent Studio for MS CE.NET receive free xAgentBuilder for C++ code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

2.1.3.3 Source Code & Runtime Licenses for C++ SNMP Agent Studio for MS CE.NET

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License options for extension DLL, or standalone SNMPv3 and/or HTTP Agent and SNMPv3/HTTP Agent Configuration Editor .		
Source Code & Runtime Licenses – SNMP option		
500 extension DLL/standalone SNMPv3 Agent Runtime Licenses	NDT-3402	\$4,300
Unlimited Runtime License for extension DLLs/standalone SNMPv3 Agent for single, specific functionality product line.	NDT-3403	\$13,000
SNMPv1/v2c/v3 Source Code License – add-on to CE.NET SNMPv3 Agent Unlimited Runtime License	NDT- 3405	\$17,000
Source Code & Runtime Licenses – HTTP option		
500 extension DLL/standalone HTTP Agent Runtime Licenses	NDT-3412	\$4,000
Unlimited Runtime License for extension DLLs/standalone HTTP Agent for single, specific functionality product line.	NDT-3413	\$8,000
HTTP Source Code License – add-on to CE.NET HTTP Agent Unlimited Runtime License	NDT- 3415	\$3,500

2.1.4 NuDesign SNMP Agent Service for MS Windows and CE.NET (with HTTP access)

2.1.4.1 Source Code & Runtime Options for SNMP Master Agent Service for MS Windows

Product / Description	Product ID	Sales Price (US\$)
Source & Runtime License of NuDesign SNMPv1/v2c/v3 Agent Service for Windows - seamless replacement of MS Windows SNMPv1/v2 Agent Service. Multithreaded, dynamic loading / unloading of extension DLLs. HTTP access option, includes SNMPv3 / HTTP Agent Configuration Editor.		
25 NuDesign SNMP Master Agent Service for MS Windows Runtime License	NDT-2100	\$500
100 NuDesign SNMP Master Agent Service for MS Windows Runtime License	NDT-2101	\$1,100
500 NuDesign SNMP Master Agent Service for MS Windows Runtime License	NDT-2102	\$4,000
Unlimited Runtime Site License of NuDesign SNMP Master Agent Service for MS Windows	NDT-2103	\$15,000
Unlimited Runtime License of NuDesign OEM Edition SNMP Master Agent Service for MS Windows for single, specific functionality product line	NDT-2105	please call
MS Windows SNMP Master Agent Service Source Code License – add-on to Unlimited Runtime License	NDT- 2107	\$17,000

2.1.4.2 Support Contracts for SNMP Master Agent Service for MS Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents.		
Support for SNMP Master Agent Service Runtime for MS Windows	NDT-210x-SC	25% of NDT-210x
Support for SNMP Master Agent Service Source Code & Runtime SDK for MS Windows	NDT- 2107-SC	\$4,000

2.1.4.3 Source Code & Runtime Options for SNMP Master Agent Service for MS CE.NET

Product / Description	Product ID	Sales Price (US\$)
Source & Runtime License options for NuDesign SNMPv1/v2c/v3 Master Agent Service, with HTTP access option, for MS Windows CE.NET		
500 NuDesign SNMP Master Agent Service for MS Windows CE.NET Runtime License	NDT-3102	\$4,300
Unlimited Runtime License of NuDesign SNMP Master Agent Service for MS Windows CE.NET for single, specific functionality product line	NDT-3105	please call
MS Windows CE.NET SNMP Master Agent Service Source Code License – add-on to Unlimited Runtime License	NDT- 3107	\$17,000

2.1.4.4 Support Contracts for SNMP Master Agent Service for MS CE.NET

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents.		
Support for Master SNMP Agent Service for MS Windows CE.NET	NDT-310x-SC	25% of NDT-310x
Support for SNMP Master Agent Service Source Code & Runtime SDK for MS Windows CE.NET	NDT- 3107-SC	\$4,000

Product availability, terms and price are subject to change without notice. All prices are in US dollars.

2.2 SNMP Manager Development Tools for Windows

2.2.1 NuDesign Visual SNMP xManager Builder for Windows

2.2.1.1 Development Tools License for SNMP xManager Builder for Windows

Product / Description	Product ID	Sales Price (US\$)
<p><u>The NuDesign Visual SNMP xManager Builder for Windows Development License consists of:</u></p> <ul style="list-style-type: none"> • SNMP Manager C++ code generation wizard for MS Windows. It generates Manager Application Project for MS Visual Studio. • SNMPv1/v2c/v3 Control with C++ SNMPv1/v2c/v3 SDK Management Libraries for multithreaded SNMP Manager Application for Windows. Supports Send / Receive Traps and Informs functions. • SNMP MIB Compiler Control. • Sample code in VB and C++ demonstrating typical management functions, such as Get Table, MIB Browser, SNMP Polling Engine and others. • SNMPv1/v2c/v3 Manager Configuration Editor. 		
<p>Single Developers License for NuDesign Visual SNMP xManager Builder for Windows</p> <p>Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3.</p>	NDT-6600	\$3,000
<p>3 Developers License for NuDesign Visual SNMP xManager Builder for Windows</p> <p>Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3.</p>	NDT-6601	\$5,500
<p>Site Developers License for NuDesign Visual SNMP xManager Builder for Windows</p> <p>Includes "Site Developers" set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3.</p>	NDT-6602	\$8,500

2.2.1.2 Support Contracts for SNMP xManager Builder for Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for Visual SNMP xManager Builder for Windows	NDT-660x-SC	25% of NDT-43xx
Support for SNMPv1/v2c/v3 Manager Source & Unlimited Runtime SDK	NDT-6735-SC	\$4,000
Support for SNMPv1/v2c/v3 Manager Runtime SDK	NDT-673x-SC NDT-6733-SC	25% of NDT-673x \$3,000

2.2.1.3 Source Code & Runtime Licenses for SNMP xManager Builder for Windows

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for Visual SNMP xManager Builder for Windows for use in single, specific functionality product line.		
25 Runtime License	NDT-6730	\$500
100 Runtime License	NDT-6731	\$1,200
500 Runtime License	NDT-6732	\$4,300
Unlimited Runtime License for SNMPv1/v2c/v3 Manager	NDT-6733	\$13,000
SNMPv1/v2c/v3 Source Code License – add-on to SNMPv1/v2c/v3 Manager Unlimited Runtime License	NDT-6735	\$17,000

Note:

The SNMPv3 Control with C++ Management Libraries components are also available with AuthNoPriv option to accommodate export license requirements.

Sources contain full SNMPv1/v2c/v3 library sources, MIB Compiler sources are not included.

2.2.2 SNMP Developer's ActiveX Controls for MS Windows

2.2.2.1 Development and Runtime Licenses for SNMPv1/v2 Controls

Product / Description	Product ID	Sales Price (US\$)
These SNMP ActiveX Controls offer SNMP v1/v2c support		
SNMP Trap Sender Control		
single developer license, unlimited runtime license	NDT-1000	\$500
3 developers license, unlimited runtime license	NDT-1003	\$1,100
site developers license, unlimited runtime license	NDT-1001	\$2,000
SNMP Trap Receiver Control		
single developer license, unlimited runtime license	NDT-1010	\$500
3 developers license, unlimited runtime license	NDT-1013	\$1,100
site developers license, unlimited runtime license	NDT-1011	\$2,000
SNMP Management Control		
single developer license, unlimited runtime license	NDT-1020	\$500
3 developers license, unlimited runtime license	NDT-1023	\$1,100
site developers license, unlimited runtime license	NDT-1021	\$2,000
SNMP Management + Trap Sender + Trap Receiver Controls Bundle		
single developer license, unlimited runtime license	NDT-1100	\$1,000
3 developers license, unlimited runtime license	NDT-1103	\$2,200
site developers license, unlimited runtime license	NDT-1101	\$4,000
SNMP Agent Discovery Control		
single developer license, unlimited runtime license	NDT-1200	\$500
3 developers license, unlimited runtime license	NDT-1203	\$1,100
site developers license, unlimited runtime license	NDT-1201	\$2,000

2.2.2.2 Development and Runtime Licenses for SNMP HMS Download Control

Product / Description	Product ID	Sales Price (US\$)
SNMP HMS Download Control - compatible with SCTE-HMS-Download-MIB		
single developer seat license, runtimes separate	NDT-1400	\$1,500
3 developer seats license, runtimes separate	NDT-1403	\$3,300
site developer seats license, runtimes separate	NDT-1401	\$6,000
100 runtime license	NDT-1436	\$850
500 runtime license	NDT-1437	\$2,100
Unlimited runtime license	NDT-1438	\$3,600

Product availability, terms and price are subject to change without notice. All prices are in US dollars.

2.2.2.3 Development & Runtime Licenses for SNMP MIB Compiler Control

Product / Description	Product ID	Sales Price (US\$)
SNMP MIB Compiler Control		
single developer seat license, runtimes separate	NDT-1210	\$2,500
3 developer seats license, runtimes separate	NDT-1213	\$5,500
site developer seats license, runtimes separate	NDT-1211	\$8,500
25 runtime license	NDT-1235	\$500
100 runtime license	NDT-1236	\$1,200
500 runtime license	NDT-1237	\$3,800
Unlimited runtime license	NDT-1238	\$9,000
MIB Compiler Control / C++ Library Source Code License – add-on to Unlimited Runtime License	NDT-1240	\$8,000

2.2.2.4 Support Contracts for SNMP Developer's Controls

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
SNMP Developer's ActiveX Controls Support Contracts		
SNMP Trap Sender Control	NDT-100x-SC	25% of NDT-100x
SNMP Trap Receiver Control	NDT-101x-SC	25% of NDT-101x
SNMP Management Control	NDT-102x-SC	25% of NDT-102x
SNMP Management + Trap Sender + Trap Receiver Controls Bundle	NDT-110x-SC	25% of NDT-110x
SNMP Agent Discovery Control	NDT-120x-SC	25% of NDT-120x
SNMP HMS Download Control	NDT-140x-SC	25% of NDT-140x
SNMP MIB Compiler Control Developer Seat	NDT-121x-SC	25% of NDT-121x
SNMP MIB Compiler Control Runtimes	NDT-123x-SC NDT-1238-SC	25% of NDT-121x \$2,000
SNMP MIB Compiler Control Source and Unlimited Runtimes	NDT-1240-SC	\$3,000

2.3 SNMP Development Applications

2.3.1 Visual MIBrowsers, Visual SNMP Traffic Monitor & Visual MIBuilder for MS Windows

2.3.1.1 User Licenses for SNMP Developer's Applications

Product / Description	Product ID	Sales Price (US\$)
Visual MIBrowser Professional		
single user license	NDT-2060	\$600
3 users license	NDT-2061	\$1,600
site users license	NDT-2062	\$5,800
Visual MIBrowser		
single user license	NDT-2000	\$400
3 users license	NDT-2001	\$1,000
site users license	NDT-2002	\$3,400
Visual MIBuilder		
single user license	NDT-2020	\$900
3 users license	NDT-2021	\$2,500
site users license	NDT-2022	\$4,400
Visual SNMP Traffic Monitor		
single user license	NDT-2010	\$500
3 users license	NDT-2011	\$1,250
site users license	NDT-2012	\$2,450
SNMP Applications Bundle (Visual MIBrowser, Visual SNMP Traffic Monitor & Visual MIBuilder)		
single user license	NDT-2050	\$1,000
3 users license	NDT-2051	\$2,850
site users license	NDT-2052	\$7,200
SNMP Pro Applications Bundle (Visual MIBrowser Pro, Visual SNMP Traffic Monitor & Visual MIBuilder)		
single user license	NDT-2080	\$1,250
3 users license	NDT-2081	\$3,550
site users license	NDT-2082	\$9,500

Product availability, terms and price are subject to change without notice. All prices are in US dollars.

2.3.1.2 Support Contracts for SNMP Developer's Applications

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual MIBrowser Professional	NDT-206x-SC	25% of NDT-206x
Visual MIBrowser	NDT-200x-SC	25% of NDT-200x
Visual MIBuilder	NDT-202x-SC	25% of NDT-202x
Visual SNMP Traffic Monitor	NDT-201x-SC	25% of NDT-201x
SNMP Applications Bundle (Visual MIBrowser & Visual MIBuilder)	NDT-205x-SC	25% of NDT-205x
SNMP Pro Applications Bundle (Visual MIBrowser Pro & Visual MIBuilder)	NDT-208x-SC	25% of NDT-208x

3 Development Tools for Linux & Embedded Systems

3.1 SNMP Agent Development Tools with HTTP option for Linux & Embedded

3.1.1 NuDesign C++ SNMP Agent Studio for PC Linux (with HTTP access)

3.1.1.1 Development Tools License for C++ SNMP Agent Studio for PC Linux

Product / Description	Product ID	Sales Price (US\$)
<p><u>The NuDesign C++ SNMP Agent Studio for PC Linux (with optional HTTP access) Development License consists of:</u></p> <ul style="list-style-type: none"> • Visual Embedded xAgentBuilder for C++, PC Linux Edition: MS Windows hosted, C++ code generation wizard (Command Line for Linux Host) for SNMPv1/v2c/v3 PC Linux Agents, standalone or Master Agent and dynamically loadable extension and/or Remote Subagents are supported. (with optional HTTP access to MIB instrumentation). It generates complete agent projects for Linux development environment (GNU Make, KDevelop). • SNMPv3/HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for PC Linux, contains SNMPv1/v2c/v3 and HTTP PC Linux C++ libraries. The MIB II and Host Resources MIB subagents are included. 		
<p>Single Developer License for NuDesign C++ SNMP Agent Studio for PC Linux</p> <p>Includes 1 set of agent development tools license. Runtime License is separate and needs to be selected from Section 3.1.1.3.</p>	NDT-3600	\$3,000
<p>3 Developers License for NuDesign C++ SNMP Agent Studio for PC Linux</p> <p>Includes 3 sets of agent development tools license. Runtime License is separate and needs to be selected from Section 3.1.1.3.</p>	NDT-3601	\$5,500
<p>Site Developers License for NuDesign C++ SNMP Agent Studio for PC Linux</p> <p>Includes "Site Developers" set of agent development tools license. Runtime License is separate & needs to be selected from Section 3.1.1.3.</p>	NDT-3602	\$8,500

3.1.1.2 Support Contract for C++ SNMP Agent Studio Products for PC Linux

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ SNMP Agent Studio for PC Linux	NDT-360x-SC	25% of NDT-360x
Support for SNMP Agent Source Code & Unlimited Runtime SDK	NDT- 3385-SC	\$4,000
Support for extension DLL/standalone SNMPv3 Agent Runtime SDK	NDT-338x-SC NDT-3383-SC	25% of NDT-238x \$2,500
Support for HTTP Agent Source Code & Runtime SDK	NDT- 3395-SC	\$1,500
Support for extension DLL/standalone HTTP Agent Runtime SDK	NDT-339x-SC	25% of NDT-239x

The current license owners of C++ SNMP Agent Studio for PC Linux receive free xAgentBuilder for C++ for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

3.1.1.3 Source Code & Runtime Options for C++ SNMP Agent Studio for PC Linux

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License options for SNMPv1/v2c/v3 and/or HTTP PC Linux Agent and SNMPv3/HTTP Agent Configuration Editor. Includes MIB II and Host Resources MIB subagents.		
Source Code & Runtime Licenses – SNMP option		
25 SNMPv3 Agent Runtime Licenses	NDT-3380	\$500
100 SNMPv3 Agent Runtime Licenses	NDT-3381	\$1,200
500 SNMPv3 Agent Runtime Licenses	NDT-3382	\$4,300
Unlimited Runtime License for SNMPv3 Agent for single, specific functionality product line	NDT-3383	\$13,000
SNMP Source Code License – add-on to PC Linux SNMP Agent Unlimited Runtime License	NDT- 3385	\$17,000
Source Code & Runtime Licenses – HTTP option		
25 HTTP Agent Runtime Licenses	NDT-3390	\$500
100 HTTP Agent Runtime Licenses	NDT-3391	\$1,000
500 HTTP Agent Runtime Licenses	NDT-3392	\$4,000
Unlimited Runtime License for HTTP Agent for single, specific functionality product line	NDT-3393	\$8,000
HTTP Source Code License – add-on to PC Linux HTTP Agent Unlimited Runtime License	NDT- 3395	\$3,500

3.1.2 NuDesign C++ SNMP Agent Studio for Embedded RTOS (with HTTP access)

3.1.2.1 Development Tools License for C++ SNMP Agent Studio for Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
<p>The NuDesign C++ SNMP Agent Studio for Embedded RTOS (with optional HTTP access) Development License consists of:</p> <ul style="list-style-type: none"> • Visual Embedded xAgentBuilder for C++, Embedded RTOS Edition: MS Windows hosted, C++ code generation wizard (Command Line for Linux Host) for embedded SNMPv1/v2c/v3 Agents, standalone or Master Agent and dynamically loadable extension and/or Remote Subagents are supported. (with optional HTTP access to MIB instrumentation). It generates complete agent project for supported Embedded OS/RTOS and its development environment. • SNMPv3/HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for Embedded RTOS, contains SNMPv1/v2c/v3 and HTTP C++ libraries for specific embedded environment. 		
<p>Single Developers License for NuDesign C++ SNMP Agent Studio for Embedded RTOS</p> <p>Includes 1 set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3.</p>	NDT-4300	\$3,000
<p>3 Developers License for NuDesign C++ SNMP Agent Studio for Embedded RTOS</p> <p>Includes 3 set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3.</p>	NDT-4301	\$5,500
<p>Site Developers License for NuDesign C++ SNMP Agent Studio for Embedded RTOS</p> <p>Includes "Site Developers" set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3.</p>	NDT-4302	\$8,500

3.1.2.2 Support Contracts for C++ SNMP Agent Studio Products for Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ SNMP Agent Studio for Embedded RTOS	NDT-43xx-SC	25% of NDT-430x
Support for SNMPv1/v2c/v3 Agent Source Code & Runtime SDK	NDT-4430-SC	\$4,000
Support for SNMPv1/v2c/v3 Agent Runtime SDK	NDT-4433-SC	\$3,000
Support for SNMPv1/v2c Agent Source Code & Runtime SDK	NDT-4420-SC	\$2,000
Support for SNMPv1/v2c Agent Runtime SDK	NDT-4423-SC	\$1,500
Support for HTTP Agent Source Code & Runtime SDK	NDT-4440-SC	\$1,000
Support for HTTP Agent Runtime SDK	NDT-4443-SC	\$750

The current license owners of C++ Agent Studio for Embedded RTOS receive free xAgentBuilder for C++ code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

3.1.2.3 Source Code & Runtime Licenses for C++ SNMP Agent Studio for Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for Embedded SNMPv3 / SNMPv1/v2 & HTTP Agent for use in single, specific functionality Embedded Product Line.		
Single Embedded Product License – SNMPv1/v2c/v3 options		
Source Code & Unlimited Runtime License for Embedded SNMPv3 Agent for single, specific functionality product line.	NDT-4430	\$26,000
Unlimited Runtime License for Embedded SNMPv1/v2c/v3 Agent for single, specific functionality product line.	NDT-4433	\$15,000
SNMPv1/v2c/v3 Source Code License – add-on to Embedded SNMPv1/v2c/v3 Agent Unlimited Runtime License	NDT-4434	\$15,000
Single Embedded Product License – SNMPv1/v2c options		
Source Code & Unlimited Runtime License for Embedded SNMPv2c Agent for single, specific functionality product line.	NDT-4420	\$14,000
Unlimited Runtime License for Embedded SNMPv1/v2c Agent for single, specific functionality product line.	NDT-4423	\$8,000
SNMPv1/v2c Source Code License – add-on to Embedded SNMPv1/v2c Agent Unlimited Runtime License	NDT-4424	\$8,000
Single Embedded Product License – HTTP options		
Source Code & Unlimited Runtime License for Embedded HTTP Agent for single, specific functionality product line.	NDT-4440	\$10,000
Unlimited Runtime License for Embedded HTTP Agent for single, specific functionality product line.	NDT-4443	\$8,000
HTTP Agent Source Code License – add-on to Embedded HTTP Agent Unlimited Runtime License	NDT-4444	\$3,500

Note:

The source code license along with Visual xAgentBuilder for C++, Embedded RTOS Edition tool include complete sources to build SNMPv1/v2c or SNMPv1/v2c/v3 and HTTP agents for embedded environments. The major source code components are: SNMPv1/v2c or SNMPv1/v2c/v3 protocol stacks, MIB II code, MIB Handler, HTTP Server Plug-in, Open SSL Crypto, interface to non-volatile storage and others.

Supported today are: ENEA OSE RTOS, MontaVista Software and SnapGear / uCLinux Embedded Linux, generic Linux distributions, QNX Neutrino®, and WindRiver VxWorks.

Please call for update on the embedded environment of interest to your program.

3.2 CLI Development Tools for Linux & Embedded Systems

3.2.1 NuDesign Hierarchical CLI Application Generation Studio for Embedded RTOS

3.2.1.1 Development License for CLI Application Generation Studio for Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
<p><u>The NuDesign Visual xCLI Builder Studio for Embedded RTOS Development License consists of:</u></p> <ul style="list-style-type: none"> • Visual xCLI Builder for Embedded RTOS, the Java VM hosted, C++ code generation wizard for embedded Command Line Interface. It generates complete hierarchical CLI application project for supported embedded OS/RTOS and its development environment. • SDK for CLI Application for Embedded RTOS, contains CLI C++ libraries for specific embedded environment. 		
<p>Single Developers License for NuDesign Visual xCLI Builder Studio for Embedded RTOS</p> <p>Includes 1 set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3.</p>	NDT-4700	\$1,500
<p>3 Developers License for NuDesign Visual xCLI Builder Studio for Embedded RTOS</p> <p>Includes 3 set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3.</p>	NDT-4701	\$2,700
<p>Site Developers License for NuDesign Visual xCLI Builder Studio for Embedded RTOS</p> <p>Includes "Site Developers" set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3.</p>	NDT-4702	\$4,200

3.2.1.2 Support Contracts for CLI Application Generation Studio for Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for Visual xCLI Builder Studio for Embedded RTOS	NDT-47xx-SC	25% of NDT-470x
Support for CLI Application Source Code & Unlimited Runtime SDK	NDT-4830-SC	\$2,000
Support for CLI Application Unlimited Runtime SDK	NDT-4833-SC	\$1,500

3.2.1.3 Source Code & Runtime Licenses for CLI Application Generation Studio for Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for Embedded CLI Application for use in single, specific functionality Embedded Product Line.		
Source Code & Unlimited Runtime License for Embedded CLI Application for single, specific functionality product line.	NDT-4830	\$15,000
Unlimited Runtime License for Embedded CLI Application for single, specific functionality product line.	NDT-4833	\$10,000
CLI Source Code License – add-on to Embedded CLI Application Unlimited Runtime License.	NDT-4834	\$8,000

3.3 SNMP Manager Development Tools for Linux & Embedded Systems

3.3.1 NuDesign Visual SNMP xManager Builder for Linux & Embedded RTOS

3.3.1.1 Development Tools License for SNMP xManager Builder for Linux & Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
<p><u>The NuDesign Visual SNMP xManager Builder for Linux & Embedded RTOS Development License consists of:</u></p> <ul style="list-style-type: none"> • SNMP Manager C++ code generation wizard, Linux & Embedded RTOS Edition. MS Windows hosted, it generates Manager Application Project for supported Embedded RTOS development environment. • SNMPv1/v2c/v3 C++ Management Library for multithreaded SNMP Manager Application for Embedded RTOS. Supports Send / Receive Traps and Informs functions. • SNMP MIB Compiler C++ Library for Embedded RTOS. • Sample code in C++ demonstrating typical management functions, such as Get Table, MIB Browser, SNMP Polling Engine and others. • SNMPv1/v2c/v3 Manager Configuration Editor. 		
<p>Single Developer License for NuDesign Visual SNMP xManager Builder for Linux & Embedded RTOS</p> <p>Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.1.3.</p>	NDT-6300	\$3,000
<p>3 Developers License for NuDesign Visual SNMP xManager Builder for Linux & Embedded RTOS</p> <p>Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.1.3.</p>	NDT-6301	\$5,500
<p>Site Developers License for NuDesign Visual SNMP xManager Builder for Linux & Embedded RTOS</p> <p>Includes "Site Developers" set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.1.3.</p>	NDT-6302	\$8,500

3.3.1.2 Support Contracts for SNMP xManager Builder for Linux & Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for Visual SNMP xManager Builder for Linux & Embedded RTOS	NDT-630x-SC	25% of NDT-630x
Support for SNMPv1/v2c/v3 Manager Source Code & Runtime SDK	NDT-6430-SC	\$4,000
Support for SNMPv1/v2c/v3 Manager Runtime SDK	NDT-6433-SC	\$3,000

3.3.1.3 Source Code & Runtime License for SNMP xManager Builder for Linux & Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for NuDesign Visual SNMP xManager Builder for Linux & Embedded RTOS for use in single, specific functionality Embedded Product Line.		
Source Code* & Unlimited Runtime License for Embedded SNMPv3 Manager for single, specific functionality product line.	NDT-6430	\$26,000
Unlimited Runtime License for Embedded SNMPv1/v2c/v3 Manager for single, specific functionality product line.	NDT-6433	\$15,000
SNMPv1/v2c/v3 Source Code License* – add-on to Embedded SNMPv1/v2c/v3 Manager Unlimited Runtime License	NDT-6434	\$15,000

* contains complete SNMPv1/v2c/v3 Management C++ Source Code Library. It does not include the MIB Compiler C++ Source Code Library. For MIB Compiler source pricing see section 3.3.2.3, NDT-6934 Source Code License.

3.3.2 NuDesign SNMP MIB Compiler C++ Library for Linux & Embedded RTOS

3.3.2.1 Development License for SNMP MIB Compiler C++ Library for Linux & Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Development seat for SNMP MIB Compiler C++ Library for Linux & Embedded RTOS		
Single Developer License for NuDesign SNMP MIB Compiler C++ Library for Linux & Embedded RTOS Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3.	NDT-6900	\$2,500
3 Developers License for NuDesign SNMP MIB Compiler C++ Library for Linux & Embedded RTOS Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3.	NDT-6901	\$5,500
Site Developers License for NuDesign SNMP MIB Compiler C++ Library for Linux & Embedded RTOS Includes "Site Developers" set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3.	NDT-6902	\$8,500

3.3.2.2 Support Contracts for SNMP MIB Compiler C++ Library for Linux & Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for Development Seat for SNMP MIB Compiler C++ Library	NDT-690x-SC	25% of NDT-690x
Support for SNMP MIB Compiler C++ Library Source Code & Unlimited Runtime SDK	NDT-6930-SC	\$2,000
Support for SNMP MIB Compiler C++ Library Unlimited Runtime SDK	NDT-6933-SC	\$1,500

3.3.2.3 Source Code & Runtime License for SNMP MIB Compiler C++ Library for Linux & Embedded RTOS

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for NuDesign SNMP MIB Compiler C++ Library for Linux & Embedded RTOS for use in single, specific functionality Embedded Product Line.		
Source Code & Unlimited Runtime License for MIB Compiler C++ Library for single, specific functionality product line.	NDT-6930	\$14,000
Unlimited Runtime License for MIB Compiler C++ Library for single, specific functionality product line.	NDT-6933	\$9,000
SNMP MIB Compiler C++ Library Source Code License – add-on to Unlimited Runtime License	NDT-6934	\$8,000

Product availability, terms and price are subject to change without notice. All prices are in US dollars.

3.4 SNMP Development Applications

3.4.1 Visual MIBrowsers, Visual SNMP Traffic Monitor & Visual MIBuilder for MS Windows

3.4.1.1 User Licenses for SNMP Developer's Applications

Product / Description	Product ID	Sales Price (US\$)
Visual MIBrowser Professional		
single user license	NDT-2060	\$600
3 users license	NDT-2061	\$1,600
site users license	NDT-2062	\$5,800
Visual MIBrowser		
single user license	NDT-2000	\$400
3 users license	NDT-2001	\$1,000
site users license	NDT-2002	\$3,400
Visual MIBuilder		
single user license	NDT-2020	\$900
3 users license	NDT-2021	\$2,500
site users license	NDT-2022	\$4,400
Visual SNMP Traffic Monitor		
single user license	NDT-2010	\$500
3 users license	NDT-2011	\$1,250
site users license	NDT-2012	\$2,450
SNMP Applications Bundle (Visual MIBrowser, Visual SNMP Traffic Monitor & Visual MIBuilder)		
single user license	NDT-2050	\$1,000
3 users license	NDT-2051	\$2,850
site users license	NDT-2052	\$7,200
SNMP Pro Applications Bundle (Visual MIBrowser Pro, Visual SNMP Traffic Monitor & Visual MIBuilder)		
single user license	NDT-2080	\$1,250
3 users license	NDT-2081	\$3,550
site users license	NDT-2082	\$9,500

3.4.1.2 Support Contracts for SNMP Developer's Applications

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual MIBrowser Professional	NDT-206x-SC	25% of NDT-206x
Visual MIBrowser	NDT-200x-SC	25% of NDT-200x
Visual MIBuilder	NDT-202x-SC	25% of NDT-202x
Visual SNMP Traffic Monitor	NDT-201x-SC	25% of NDT-201x
SNMP Applications Bundle (Visual MIBrowser & Visual MIBuilder)	NDT-205x-SC	25% of NDT-205x
SNMP Pro Applications Bundle (Visual MIBrowser Pro & Visual MIBuilder)	NDT-208x-SC	25% of NDT-208x

4 SNMP Applications for OEM and End User

4.1 Visual SNMP Manager for MS Windows

4.1.1 User Licenses for Visual SNMP Manager

Product / Description	Product ID	Sales Price (US\$)
Visual SNMP Manager		
single user license	NDT-2200	\$850
3 users license	NDT-2201	\$2,100
site users license	NDT-2202	\$7,500

4.1.2 Support Contracts for Visual SNMP Manager

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual SNMP Manager	NDT-SC	25% of NDT-220x

4.2 Visual MIBrowsers for MS Windows

4.2.1 User Licenses for Visual MIBrowsers

Product / Description	Product ID	Sales Price (US\$)
Visual MIBrowser Professional		
single user license	NDT-2060	\$600
3 users license	NDT-2061	\$1,600
site users license	NDT-2062	\$5,800
Visual MIBrowser		
single user license	NDT-2000	\$400
3 users license	NDT-2001	\$1,000
site users license	NDT-2002	\$3,400

4.2.2 Support Contracts for Visual MIBrowsers

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual MIBrowser Professional	NDT-206x-SC	25% of NDT-206x
Visual MIBrowser	NDT-200x-SC	25% of NDT-200x

4.3 Visual MIBrowser Pro for HMS for MS Windows

4.3.1 User Licenses for Visual MIBrowser Pro for HMS

Product / Description	Product ID	Sales Price (US\$)
Visual MIBrowser Pro for HMS		
single user license	NDT-2070	\$695
3 users license	NDT-2071	\$1,850
site users license	NDT-2072	\$6,700

4.3.2 Support Contract for Visual MIBrowser Pro for HMS

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual MIBrowser Pro for HMS	NDT-207x-SC	25% of NDT-207x

4.4 Visual SNMP Traffic Monitor for MS Windows

4.4.1 User Licenses for Visual SNMP Traffic Monitor

Product / Description	Product ID	Sales Price (US\$)
Visual SNMP Traffic Monitor		
single user license	NDT-2010	\$500
3 users license	NDT-2011	\$1,250
site users license	NDT-2012	\$2,450

4.4.2 Support Contracts for Visual SNMP Traffic Monitor

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual SNMP Traffic Monitor	NDT-201x-SC	25% of NDT-201x

4.5 NuDesign SNMP Master Agent Service for MS Windows

4.5.1 Source Code & Runtime Options for SNMP Master Agent Service for MS Windows

Product / Description	Product ID	Sales Price (US\$)
Runtime License options of NuDesign SNMPv1/v2c/v3 (optionally HTTP) Master Agent Service for MS Windows - seamless replacement of MS SNMPv1/v2 Master Agent Service for Windows, multithreaded, dynamic loading / unloading of extension DLLs. Includes SNMPv3 / HTTP Agent Configuration Editor.		
25 NuDesign SNMP Master Agent Service for MS Windows Runtime License	NDT-2100	\$500
100 NuDesign SNMP Master Agent Service for MS Windows Runtime License	NDT-2101	\$1,100
500 NuDesign SNMP Master Agent Service for MS Windows Runtime License	NDT-2102	\$4,000
Unlimited Runtime Site License of NuDesign SNMP Master Agent Service for MS Windows	NDT-2103	\$15,000
Unlimited Runtime License of NuDesign OEM Edition SNMP Master Agent Service for MS Windows for single, specific functionality product line	NDT-2105	please call
MS Windows SNMP Master Agent Service Source Code License – add-on to Unlimited Runtime License	NDT- 2107	\$17,000

4.5.2 Support Contracts for SNMP Master Agent Service for MS Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents.		
Support for SNMP Master Agent Service Runtime for MS Windows	NDT-210x-SC	25% of NDT-210x
Support for SNMP Master Agent Service Source Code & Runtime SDK for MS Windows	NDT- 2107-SC	\$4,000

4.6 NuDesign SNMP Middle Layer Manager Server for MS Windows
